Family Support Team

Antenatal

Sessions

A rolling programme of three antenatal sessions for pregnant families to attend around their 28th week of pregnancy for information and advice to support the journey to parenthood and meet new people. For more information please contact Up Hatherley Children's Centre.

Baby Group:-

For pregnant women or carers with a baby age 0-12months. This is a supportive, friendly group with Community Family Workers on hand to answer any questions or worries concerning child development. There is also self-weighing available.

Family Time/

Stay and Play:-

The aim of this group is to provide a positive play environment for families and carers with children aged 0-5 who are welcome to stay and play. Different activities are available at this group each week.

Information

Point:-

An opportunity to come and talk to family workers on an informal basis for signposting to other services in your area or any family information and advice you may need and opportunity to self weigh babies.

Baby

Massage:-
